

Session Room Projector Availability

AV NOTE: Bring Your Laptop for LCD. Overhead LCD (computer) projectors will be available in every presentation session room. If you plan to use an LCD, you must bring your laptop (or share with another presenter) and AC power adaptor (120 volts, 60 Hz AC). Technical assistance will be available for any AV problems.

Note: Transparency projectors will not be available at the POMS Annual Conference.

**Available on site
Bring your own laptop
and Power Cord**
