

POMS 2009 Doctoral Student Consortium

Saturday, May 2, 1:00 – 4:40 pm, Crown Hall

Theme: Navigating through the Landscape of Academia

The program aims to help doctoral students maximize their chances of having a successful academic career in our globally competitive environment. Various perspectives on finding the right position, what it means to be a professor, and being an excellent researcher and teacher will be explored by having a mix of young and experienced faculty provide their advice and direction. Opportunity for participants to develop their own strategies will also be part of the program. Program Chairs are Ken Klassen and Antony Paulraj.
