

**POMS 2010 Doctoral Student Consortium**  
**Saturday, May 8, 1:30 – 5:00 pm**

**The Landscape of Academia - Finding your Way**

The program aims to help doctoral students maximize their chances of having a successful academic career in our globally competitive environment. Various perspectives on finding the right position, what it means to be a professor, and being an excellent researcher and teacher will be explored by having a mix of young and experienced faculty provide their advice and direction. Opportunity for participants to develop their own strategies will also be part of the program.
