

**POM 2012 Doctoral Student Consortium**  
**1:30-5:00pm – Saturday, April 21**

***Managing the Transition from Student to Faculty Member***

The purpose of the POMS Doctoral Consortium is to help doctoral students maximize their chances of having a successful academic career in our globally competitive environment. Various perspectives on establishing one's research stream, finding the ideal faculty position, and navigating the unique responsibilities of a new assistant professor will be discussed in two Q&A panels featuring a mix of junior and senior faculty. There will also be roundtable discussions where doctoral students can briefly present and get feedback on their research topics.

**Panelists:**

Vinayak Deshpande, University of North Carolina (USA) and Consortium Chair  
Ananth Iyer, Purdue University (USA)  
Kyle Cattani, Indiana University (USA)  
Kamalini Ramdas, London Business School (UK)  
Laurens Debo, University of Chicago (USA)  
Vinod Singhal, Georgia Tech (USA)  
Enno Siemsen, University of Minnesota (USA)
